GiveBack Program

Raise Money
While You Shop!

What Is The GiveBack Program?

Maines Food & Party Warehouse GiveBack Program is a free year-around fundraising program for all nonprofit organizations and better yet, there's no selling involved! With our GiveBack Program, members of your organization raise money just by shopping with us! With the Maines GiveBack program, participating non-profit organizations will receive a check rebate worth 5% of their member's cumulative purchases biannually. Any time a member of your organization swipes their MaineSaver card, those purchases will count towards your organizations cumulative total. Transactions are not exempt from tax unless purchased directly for your organization. If the purchase is for the organization, a tax exempt card or certificate will still need to be presented at the time of sale, as well as the MaineSaver GiveBack card. It's that easy!

How to Get Started

To enroll your organization in Maines GiveBack Program, simply complete the organization application on the back of this brochure. Once completed, return the application to your local Maines, along with a copy of your tax exempt form. We'll issue you a short application for each member in your organization. Any member who completes and returns the organization member form to Maines will receive a MaineSaver card to start fundraising for your organization!

Maines GiveBack Success Story

Kelly Brown, PTO President of Dana Elementary school has taken advantage of Maines GiveBack Program. She shares, “We had our parents sign up at the PTO meetings. They were then issued cards. They use their cards every time they shop at Maines Food & Party Warehouse and we use our card every time we need to purchase something for the school. Our last check was over \$1000!! Thank you Maines Food & Party Warehouse!”
